Personal Coach Roster

Nicole Greer, Certified Personal Coach - \$150 per hour

Nicole Greer helps individuals, corporations and churches become the people they were created to be through defining and fulfilling a mission, to work better in teams, and exemplify excellent leadership. Using transcendent leadership programs and PATH coach training gives Nicole foundational tools, uncommon wisdom and an advantage in the marketplace in addition to her church leadership roles. For the last 20 years Nicole has worked as a coach, marketing director, master of first impressions, and sales trainer in the many facets of business. Her experiences working with all kinds of people led her to found Vibrant Coaching as she serves Laurie Beth Jones, Inc. on the National Training Team. Nicole is a speaker, trainer, facilitator, life and business coach.

Nicole is a strong coach. She has the "Edge." Nicole holds her clients in high esteem and strongly encourages commitment from them as she makes them ask themselves hard questions that inevitably lead to growth. Whether she is coaching one on one or training a corporate or ministry team, Nicole's purpose is to facilitate movement...significant movement. A key part of why individuals hire a coach is to hear the coach's opinion about the client's goals, situation, problems, dynamic or lifestyle. With your permission, Nicole will provide support, wisdom, structure, questions, understanding, strategies, ideas, synergy and yes, opinions.

If you seek clear direction, Nicole can help you and your team determine objectives, set goals and accurately monitor performance, motivate and encourage team members, identify and meet people's needs, understand how personality types interact, and build quality relationships.
