

ski & ride season pass agreement

READ CAREFULLY BEFORE PURCHASING PASS

By signing this Agreement, I agree to assume, on behalf of myself or the minor child for whom I am buying a pass, all risks associated with participation in snowsports and associated activities at Wintergreen, including without limitation: skiing, snowboarding, tubing and other snow related sports. In consideration of being allowed to participate and/or having a minor child participate in snowsports and associated activities, I hereby acknowledge and agree as follows:

NOTICE AND ASSUMPTION OF RISK

I understand and accept the fact that snowsports (including skiing, snowboarding, ski racing, freestyle skiing and riding, tubing and other snow related sports) are potentially dangerous. I understand that they have inherent and other risks. These risks include, but are not limited to: variations in terrain, ice and icy conditions, marked and unmarked obstacles, moguls, rocks, forest growth, bare spots, lift towers, utility poles, fencing and unfenced obstacles. I understand that some of these may be at or below the level of the snow. I recognize that ski racing and freestyle riding are activities involving travel in three dimensions at potentially high speeds and such activities have their own inherent risks. I understand that these sports involve the risks of getting on and off lifts. I understand that snowmaking, grooming and other equipment may be in use on open slopes. I understand that there are other forms of natural or man-made obstacles, including terrain parks and features. I understand that there are others on the slopes with whom the participant might collide or who might collide with the participant. I understand that the risks of snowsports present the risk of permanent, catastrophic injury or death. Understanding that snowsports are hazardous, I voluntarily and expressly assume for myself or for the person for whom I am buying a pass the risk of injury while participating in these sports.

INDEMNITY AGREEMENT

In consideration of the use of the resort's facilities, I agree to indemnify, hold harmless and defend Wintergreen Partners, Inc., its officers, directors and employees from any liabilities, losses, attorneys' fees and court costs that may result from any claims or causes of action arising from the use of the Wintergreen facilities by myself or by the minor child for whom I represent. I do so regardless of whether Wintergreen is negligent. Additionally, I agree that any dispute arising under this agreement or the use of Wintergreen facilities shall be litigated in the Circuit Court of Nelson County, Virginia or in the United States District Court for the Western District of Virginia at Charlottesville.

THE RESPONSIBILITY CODE

I understand that there are elements of risk in snowsports activities that common sense and personal awareness can help reduce. I will observe the code and share with others the responsibility for my snowsports experience. I will see that the persons for whom I am buying the pass do the same.

Be safety conscious! Violation of the code can lead to loss of privileges without warning and without refund. I understand that I can be held legally liable for my actions. To enjoy snowsports, I must also know and be willing to accept the limits of my ability. The same applies to those for whom I buy a lift ticket or pass. If neither I nor the participant agrees with this, then we will not participate in snowsports activities at Wintergreen.

I have read and understand this entire document. I understand that my acceptance of these terms and understandings is a condition of being allowed to participate in snowsports at Wintergreen Resort.
