WINTERGREEN, Va. (Nov. 28, 2017) – Families looking for winter fun are sure to find it at Wintergreen Resort in Virginia's Blue Ridge Mountains, where the only challenge is deciding what to do first. Among the options:

- Choose from 24 slopes and 5 lifts, two of which are high speed 6-pack lifts for a quick trip back up the mountain.
- Take on the Terrain Park (top-ranked by *Blue Ridge Outdoors Magazine*)
- Sharpen one's slope skills under the guidance of certified professional instructors
- Snow tubing at The Plunge
- Take the kids for snow-time activities at Ridgely's Fun Park
- Enjoy ice skating at the Shamokin Ice outdoor rink
- Learn to ski or snowboard at the Wintergreen Snowsports School
- Cozy up to the fireplace and just "*let it snow, let it snow, let it snow.*"

Wintergreen is the only ski area on the East Coast where 100 percent of the terrain is covered by automated snowmaking. The result is "gold standard" skiing and snowboarding surfaces, with uniformity of depth and consistency of snow from the top of the slopes to the bottom.

Ski lift tickets for adults start a \$49 for a four-hour session Monday-Friday to \$84 for an 8-hour session on holidays; tickets for seniors and youths run from \$39-\$64.

Wintergreen's Terrain Park offers freestyle skiers and snowboarders a wide range of features for all abilities levels, from tabletops to fun boxes, spines and hips, straight rails, rainbow rails, battleships, down-kinks, and s-rails. Features frequently change throughout the season to offer new challenges.

Wintergreen Resort accommodations are ideal for any and every group, including families, groups of friends, and couples. Options include 230 villa-style condominiums and rental homes—from studio suites to nine-bedroom homes—each offering a fully equipped kitchen and comfortable living area, and most come with fireplaces and a balcony or deck.

The 11,000-acre Wintergreen Resort and community actively nurtures its environment, honoring and conserving precious natural resources. Partnering with The Wintergreen Nature Foundation (TWNF), it supports and promotes wildlife habitat preservation and environmental education.

Only 90 minutes from Richmond and less than three hours from Washington D.C., Wintergreen Resort is an easy-to-get-to option for a Blue Ridge Mountain escape full of outdoor adventure options and organized activities suitable for every member of the family.
