PLAY GOLF ALL DAY, EVERY DAY AT WINTERGREEN RESORT

Unlimited access to two distinctly different golf courses adds up to one great experience

WINTERGREEN, Va. (April 14, 2016) — Wintergreen Resort in Virginia's Blue Ridge Mountains has extended its popular Unlimited Stay & Play Golf Package for guests with time for only a one-night visit to the 11,000-acre, four-season hideaway near Charlottesville, Va.

Offering two distinctly different golf experiences – at Devils Knob Golf Course atop the mountains and Stoney Creek Golf Course down in the valley – Wintergreen Resort provides challenges and enjoyment for the true golf lover. The Unlimited Stay & Play Golf Package entices guests to play all 45 holes of mountain golf, from the top of the mountain to the bottom.

The Wintergreen Resort Unlimited Stay & Play Golf Package includes:

- Mountaintop resort accommodations
- Greens fees and cart at all golf courses
- Advanced tee times at time of reservation
- Unlimited use of practice facilities
- Complimentary bag storage
- Preferred guest rate on rental club equipment
- Preferred guest rate golf shop purchases
- Available April 15 through October 28, 2016
- Packages start at \$144 per person, per night based on double occupancy; single occupancy rates available upon request

Devils Knob Golf Course, reserved expressly for Wintergreen Resort guests and Devils Knob members, is perched at an elevation of 3,850 feet. It is Virginia's highest golf course and provides dramatic, 50-mile views of the Shenandoah and Rockfish Valleys. While the cool, high-altitude mountain air is a refreshing change during the summer season, the unique shot values and classic challenges of Devils Knob remain the same, time after time.

Stoney Creek Golf Course is a 27-hole Rees Jones-design blended gracefully into the rolling landscape of the Rockfish Valley. With the majestic mountain range serving as a backdrop, the traditional design incorporates natural springs and native habitat, including Lake Monocan, with all three nines offering generous landing areas, few forced carries and large, deceptively contoured greens. Stoney Creek's combination of nines offers an invigorating variety of golf year-round, for the serious competitor and vacation golfer alike.

Wintergreen's selection of accommodations includes 230 villa-style condominiums and rental homes, from studio suites to seven-bedroom homes, each offering fully equipped kitchen, and comfortable living area, most with fireplaces and a balcony or deck.

Wintergreen Resort is a beautiful hideaway that is the perfect destination for the active traveler or family, not only offering 45 holes of championship golf and golf academy, but a U.S. Top 50 tennis complex and miles of hiking and biking trails, as well as the rejuvenating spa. Summer is an ideal time to explore nearby wineries and breweries, or stop by one of the working farms that dot the surrounding countryside.
