

# THE SOUND OF MUSIC

## DAY GROUP EXCURSION

The Sound of Music is a story about strong bonds and togetherness! Strengthen your group's connection with a day excursion to the Blue Ridge Mountains where everyone can immerse in nature, take in the arts and leave with precious memories.

### SATURDAY OR SUNDAY MORNING ARRIVAL

#### Stretch Your Legs:

Stop by the [Wintergreen Nature Foundation](#) to purchase a hiking trail map then burn some energy after your travels, take in the fresh mountain air and bond as a group. Take a detour on the way and swing into Founder's Overlook to grab a group photo against an amazing mountain backdrop. Say cheese!

#### Customized Banquet Lunch:

Your group will need to refuel after a busy morning! Let our Sales Team put together a specialized lunch in a private meeting space. We may even be able to get a few cast and crew members to say a few words about the production before or after your meal. Reservations and minimums required.

#### The Sound of Music Matinee:

Board the Blue Ridge Express to be transported via chairlift to a remote and breathtaking location for the main event where you will be greeted by friendly nuns and rowdy von Trapp Children all professing that the hills are truly alive with music. There will be concessions at the site. A chairlift ride back to the top will close the show.

#### Post-Play Fun:

Just because the main event is over doesn't mean the fun has to end!

Here's a list of other activities to round out your group's day excursion at Wintergreen Resort:

- [Discovery Ridge Adventure Center](#)
- Tennis at [Devils Knob Tennis Facility](#) (hint: Pickleball is a great family sport!)
- [Devils Knob Golf Course](#)
- [Orchards](#) It's harvest season!
- [Route 151 – Breweries & Cideries](#) (Most are family-friendly)
