

The Spa at Wintergreen

Service Descriptions

Massage

Massage treatments are personalized, professional and tailored to alleviate stress, increase flexibility and promote wellness.

Select your desired pressure and any enhancements or add-ons to create a one of a kind experience.

Swedish massage includes light to medium pressure.

Wintergreen Massage includes medium to firm pressure.

Deep Tissue massage includes firm to deep pressure.

~Add-ons

(all add-ons will add an extra 25 minutes to your service time)

Aromatherapy Add-on Wrap: Turn your service into a slice of heaven by adding one of our signature essential oil blends created to hydrate and soothe the skin. Once the massage or facial portion of your service is complete, you will be cocooned in a wrap to aid absorption and your therapist will massage your scalp and feet.

Reflexology: Give your feet extra attention by adding focused reflexology work to provide relaxation, improve circulation, help eliminate toxins and stimulate all the organs of the body.

~Enhancements

(enhancements will add an element to a service, but will not add time)

Aromatherapy Essential Oil Blend: Each season the Spa will offer a specialty house blend of essential oils to highlight the scents of the season. Watch our website for more information.

Soothing Muscle Massage Cream: Ideal for sore joints and aching muscles, this custom essential oil blend will promote joint wellness and provide soothing relief to strains, sprains, and other injuries.

Hot Stone Teaser: Your therapist will incorporate warm stones into your service to melt away tension in the neck, shoulders and back.

~Sports Massage

Whether you spent the day on the golf course, hiking our many mountain trails or enjoying our ski slope, this massage can help! Our custom muscle soothing blend is perfect for sports massage and sports injuries because it helps to relax overworked muscles, reduce inflammation and decrease pain. This massage includes assisted stretching and deep tissue massage – everything an active individual needs.

~Couples Massage

Relax and unwind as you are massaged side-by-side, each with your own personal therapist in our couples' suite. This treatment is the ultimate self-indulgence and can be customized to create a one-of-a-kind experience for you and your loved one. Enjoy complimentary sparkling cider and chocolates immediately following your treatment.

~Hot Stone Massage

Feel your tension melt away as your therapist uses smooth basalt stones to gently massage target muscles and tension areas. This treatment promotes increased blood flow, energy balance, and destresses your mind.

~Prenatal Massage

Allow our trained therapists to provide a comforting massage for mothers-to-be and bring special care to weary muscles and sore joints. **Not recommended during the first trimester.**

~Reflexology

Based on the ancient practice of acupressure, reflexology focuses on the pressure points on the bottom of the foot to provide relaxation, improve circulation, help eliminate toxins and stimulate all the organs of the body.

~Refresher

This express massage will target the tension areas of the neck, shoulders and back leaving you feeling relaxed and refreshed.

Facials

~Wintergreen Signature Facial

Relax and enjoy as your esthetician customizes your facial based on your skin type using our array of organic products. *75 minute includes lip and eye enhancements.

~Pure Forest Facial

Inspired by the Japanese practice shinrin-yoku (forest bathing), our Pure Forest Facial blends premium ingredients sourced from nature, to bring the healing properties of the forest directly to the skin. This highly oxygenating facial will detox and strengthen the skin structure while leaving your skin glowing and hydrated. *75 minute includes lip and eye enhancements.

~Illuminating Peptide Facial

Reveal the true nature of your skin! The anti-aging power house of peptides and naturally occurring AHA's targets hyper-pigmentation and texture to dramatically improve the skins strength, elasticity and suppleness. This facial is safe for those with sensitive and rosacea skin types. Not recommended for those using prescription Retin-A or have actinic acne. *75 minute includes lip and eye enhancements.

~Refresher Facial

When time is of the essence, rest assured that your skin will look as though you spent the day at the spa.

Body Treatments

~Aromatherapy Wrap

Your service will begin with a luxurious application of one of our specialty aromatherapy blends designed to moisten skin and promote an overall sense of well-being. Next, you will be cocooned in a wrap to aid absorption while your therapist massages your scalp and feet

~Seasonal/Signature Scrub

Your journey begins with an invigorating full body scrub, using richly scented salt or sugar scrub, and is followed by a cascading Vichy shower. Your therapist will transport you into a blissful relaxation with a full body oil application and hot stones on your back to complete the service. The 75 minute service includes full body wrap while your therapist massages your scalp and feet *not recommended during pregnancy

~Stone Crop Total Body Experience

Take your self-care to the next level with this brand new service that uses our premier Eminence body products. Start with a gentle sugar and salt scrub that buffs away dull, dry skin cells and sets the stage for hydration. Enjoy a scalp and foot massage during a full body wrap that imparts the healing benefits of our signature stone crop ingredient, followed by a cascading Vichy shower. For the final step, a contouring cream is applied to specific body areas to help reduce the appearance of cellulite and sealed with a lightweight oil that softens all over and leaves your skin feeling its best *not recommended during pregnancy

~Wintergreen Rejuvenation

Your experience starts with a dry brush buffing treatment to slough away dry winter skin, followed by a warm Wintergreen signature essential oil blend application. After a chilly day on the slopes, this treatment will nourish and hydrate your body, leaving you ready to skin the next day! Take the brush home with you to maintain that great glow!
