THE WINTERGREEN WEEKLY

Welcome to Wintergreen and the beautiful Blue Ridge Mountains. We hope you enjoy your Wintergreen experience in the crisp mountain air. Seize the season and make the most of your day/stay!

WEEKLY FEATURE: LET THE WINTER FUN BEGIN!

The snowmaking team has been making snow since Monday and they were able to make enough to open the tubing park this Saturday, Dec. 2nd. Make sure you thank a snowmaker next time you see them out on the slopes. They put in the hard work and the long hours so that you can enjoy your favorite winter activities.

After a three-day round-the-clock snowmaking run, the system was shut down Wednesday evening as the temperature rose. Our Mountain Operations Team's goal is to preserve the piles of snow made on the ski slopes until another solid snowmaking window arises. Forecast shows a mild spell approaching, and once that passes, SNOWPOWER will be back in action as weather permits. Stay tuned to our website and social media channels on snowmaking progress and an official opening day announcement for skiing and snowboarding.

With some winter operations starting to get underway, now is the perfect time to plan those winter vacations. Book one of our [lodging packages](#) and enjoy all of the perks that come with the [Wintergreen Advantage](#) including early skiing, early access to tubing tickets, and much more.

The Plunge Tubing Park will be open Saturday the 2nd through Sunday the 3rd. Tickets are available [online](#). We will continue to take advantage of every second of snowmaking that we can, to continue to lay down more of that white gold. The plunge tubing park is Virginia's largest tubing park. Imagine being on top of a ten story building and looking out over a hill that's longer than three football fields. Now imagine going downhill on a tube at speeds reaching 30mph. That's The Plunge!

Please note all hours and operations are tentative and subject to change without notice due to staffing. We appreciate everyone's kindness and patience as we strive to fulfill all Guest, Member, and Homeowner expectations.
