

# Market After Hours

Tuesday, July 29 | 6:00pm

Join us for another *Market After Hours* series: an evening of tasty bites, great drinks, and good company!

Join us for an evening of tastings and local flair! **Greg Ward** will be providing some Reggae tunes while **Kristen Thomas** of **Winebow** will be pouring carefully curated wines and sharing her expert insights. **Potter's Craft Ciders** from Charlottesville will be on hand offering samples and showcasing cider. We are also thrilled to welcome the owner and operator of historic Wade's Mill, **April Anderson**, who will share her passion for traditional stone milling. Her products, now featured in our store, are the latest addition to our growing collection of Virginia-made favorites.

## Featured products available for purchase:

- Rapidan Carne Asada Tacos
- Rapidan Ground Beef Tacos
- Summer Vegetable Flatbread
